## SUMMARY

A highly motivated and detail-oriented Frontend Developer Intern with hands-on experience in building responsive and interactive websites. Proficient in HTML, CSS, JavaScript, and ReactJS, with a strong understanding of web development best practices. Adept at designing and implementing clean, user-friendly interfaces that enhance user experience. A quick learner with a keen interest in staying updated with the latest web technologies. Possesses strong problem-solving skills and thrives in collaborative environments. Committed to writing efficient, maintainable code and delivering high-quality web applications that meet both functional and aesthetic requirements.
